NUTRITIONAL DECLARATION

HISTORY

The Casal Mendes range was Aliança's first sparkling wine, initially developed mainly for the US market and later extended to a wide range of customers around the world. It remains, to this day, Aliança's best-selling brand.

The demand for and consumption of wines with a significant level of sweetness has grown considerably in recent years, which led us to produce a Sweet version of Casal Mendes White in order to respond to this demand.

To complete the SWEET version of the well-known Casal Mendes range, we also created a Sweet Rosé wine and a Sweet Red wine.
