PROFILE

Bacalhôa Baga is born from a terroir ideally suited to the Baga grape variety, characterized by clay-limestone soils and a west-facing exposure. In this vintage, the grapes benefited from a slow ripening process, and despite some rainfall at the beginning of the harvest season, it was possible to obtain fruit that was both fully ripe and healthy.

The wine underwent a traditional vinification process, including a cold pre-fermentation maceration and an extended cuvaison, resulting in a wine with intense colour, aroma, and flavour, while maintaining great elegance. Aging for 14 months in new 300-litre French and Russian oak barrels was the final stage before bottling.

TASTING NOTES

Deep ruby colour. Fruity aromas and flavours with notes of ripe red berries and dark chocolate. On the palate, it is a powerful yet elegant wine, well-balanced and full-bodied, with a long and persistent finish.

NUTRITIONAL DECLARATION:

HISTORY

In 2003, Aliança Vinhos de Portugal acquired Quinta da Dôna, where, for several years, a distinctive wine had been produced using Baga as the sole grape variety. Aliança Baga has always reflected the identity of the Bairrada region, the complexity of the Baga grape, and the unique character of its terroir.

It is the first Bairrada Clássico produced by Aliança since the Clássico designation was officially introduced as a regional quality classification in 2003. We chose to produce it because its aromatic and flavour complexity, elegance, and remarkable persistence fully justify this distinction.
